**BLACK RING WITH DRAGONFLY**

\$250

---

## DESCRIPTION

This exquisite ring, made of 18k gold-plated silver, is part of a series of pieces with dragonfly decorations. In this piece, the dragonflies rest over a black enamel top spreading their shimmering wings, featuring small white rhinestones. The mounting has a series of white rhinestones marking its circumference. The shank is made of sinuous elements connected to each other that give dynamism to this splendid piece.
