BLADE PAINTING LAMP

\$2,100

DESCRIPTION

This exquisite lamp was introduced at Milano Design Week 2018, as part of the Blade collection. Ideal to perfectly illuminate a painting, this piece will be a stunning addition to a contemporary library, living room, or entryway, where it can also double as precious sconce. Entirely crafted of brass, this piece has a rectangular base attached to the wall and a vertical element that supports the adjustable shade equipped with a lens in polycarbonate with an ice-like effect.
