## BLOOM COSMOS DESSERT PLATE

\$85

### DESCRIPTION

This dessert plate is handcrafted of fine ceramic in Costanza Paravicini's Milan workshop and is adorned with a charming cosmos flower with two bees fluttering around painted by hand in delicate colors over a white glossy surface. Styled with glassware and linens in coordinating colors, this dessert plate can be paired with the others of the Bloom Collection featuring 12 different flowers to elevate a simple dinner table setting. Monogramming is available on request at an additional cost, ask the Concierge for information.
