## BLOOM IRIS DESSERT PLATE

\$85

### DESCRIPTION

A charming dragonfly delicately flutters on the vivid blue petal of an iris flower hand-painted in the center of this exquisite dessert plate from Paravicini's Bloom Collection. Handmade of white ceramic in the label's Milan workshop with a high gloss finish, it can be mixed with other plates from the collection featuring 12 different floral patterns to create a captivating entertaining ambiance. Plates are customizable with monograms at additional fee upon request, ask the Concierge for details.
