BLU MARE SET OF 4 TILES #8

\$145

DESCRIPTION

This stunning majolica tile from the Natura Collection will transform any interior decor and surface with its distinctive colors and meticulous detailing. Forged from an innovative mix of terracotta and volcanic stone, this tile reveals an elegant mirrored design marked by bold frond motifs in deep cerulean blue on an ivory background for a striking aesthetic. Mounted in a bathroom, kitchen, or patio, these tiles must be applied with minimal grouting to ensure a smooth surface and continuous design.
