BLU PONTI DECORO TIPO 1 SET OF 25 CERAMIC TILES

\$420

DESCRIPTION

These exclusive tiles are part of the Blu Ponti collection inspired by the white and blue majolica designed in 1960 by Gio Ponti. Handcrafted using the materials and enamels as well as the artistic techniques of the centuries-old Vietri tradition, these tiles feature a striking tromp d'oeil design of great visual effect. The composition is made of 25 square tiles measuring 20x20 cm and features a design of white and blue fragmented stripes on a light blue background. An original composition of color and geometry in which bold patterns are at the forefront.
