BLU PONTI DECORO TIPO 29 SET OF 25 CERAMIC TILES

\$420

DESCRIPTION

Composed of 25 ceramic tiles of 20x20 cm, the blue, light blue and white colors of this striking composition enhance the simple design of the outline of a palmate leaf. Made of ceramics and hand-painted using centuries-old techniques of the Vietri tradition, these tiles are replicas of the majolica designed by Gio Ponti in 1960 for the Hotel Parco dei Principi in Sorrento. A symbol of excellence and style, these tiles merge handcrafting traditions and modern taste, and will add timeless elegance to any home.
