**BLUE CICLOTTE BIKE**

**\$16,890**

## DESCRIPTION

Made of lacquered steel, this exercise bike is a lively and innovative piece of design and a fitness tool. It comprises a frame that can fit five different spinning positions to simulate a realistic exercise experience. Boasting a clean design, it is furnished with a special support with bluetooth for the use of smartphones and tablets, for entertainment or to check the distance and time of the workout thanks to an app. Please contact the Concierge for more details on the accessories and pricing.
