BLUE CRYSTAL SCONCE

\$3,480

DESCRIPTION

A delicate design crafted with masterful expertise, this sconce will add a luxurious accent to a classic decor. Flanking a mirror in an entryway or used to illuminate a living room or a bedroom, this piece will sparkle thanks to the clear and blue Bohemian crystals that adorn its forged-iron structure. The crystals are applied through a method called weaving, in which they are positioned one-by-one along a thin brass thread.
