BLUE ENAMEL AND STERLING SILVER CUFFLINKS

\$290

DESCRIPTION

Handcrafted with attention to detail and a minimalist aesthetic, this pair of cufflinks is a refined choice to accessorize a modern and elegant attire. The structure made of sterling silver comprises a chain-shaped post that links together identical toggle and face, shaped like sophisticated octagons. A thin blue line in enamel runs around the perimeter of these rigorous shapes, marking their silhouette and adding a vivid color to the set.
