La Casa Grifoni

BLUE FLOWERS SIDEBOARD

\$8,930

DESCRIPTION

Elegance and Art Deco-inspired sophistication are the qualities of this superb sideboard, an ideal choice for an eclectic or classic interior. The traditional silhouette comprises four cabriole legs supporting a body with delicate sinuous curves. The plywood of the structure boasts a Tanganyika veneer exquisitely adorned with a stylized landscape of tall blue flowers. The two frontal doors open onto a generous storage space that will be a versatile addition in any room in the house.
