BLUE/GRAY SIDE TABLE BY ANDREA EPIFANI

\$2,740

DESCRIPTION

This sustainable side table strikes with its vibrant ultramarine shade painted with water-based glaze. The poplar blockboard frame comprises six cylindrical legs sustaining an elongated top with rounded extremities, whose surface displays a pattern of oblique pedestrian crossings, crafted from blue and gray recycled paper and protected with a final, transparent layer. A UL certificate for contract spaces and customizations available, please ask the Concierge for pricing.
