BLUE HOLES SEASON 1 TEXTURED WALLPAPER

\$290

DESCRIPTION

A special wallpaper designed by Vincenzo D'Alba, covered with a layer of plaster obtained with a mixture of 27 precious raw materials, such as Carrara marble and Roman travertine, on which the masterpieces of Italian art history have been carved by Michelangelo and Bernini. The output is a natural surface, to the touch and to the sight, that evokes that of the ancient frescoes made to measure and finished with care in every detail so that the chosen design emerges in all its beauty.
