

ARTEMEST

LIGHTING : TABLE LAMPS

Elisabetta Cialli

BLUE MARELUNA LAMP

\$5,990

DESCRIPTION

Made in majolica ceramic, the lamp is handcrafted on a traditional lathe before being cut into five pieces. Inside the sphere, the artisan created an incised design and coated it with gold in the third firing to create a smooth look. Topped with curled pieces of clay, the lamp can be personalized in different colors and sizes.
