BLUE PASTE PAPER PHOTO FRAME

\$405

## DESCRIPTION

Custom wooden boxes hand-crafted in Tuscany, covered with Paste Paper (an antique paper decoration technique invented in Europe) designed and hand-decorated by ATELIERGK FIRENZE, and natural tanned Tuscan calfskin to make the object durable. Magnets were inserted in the wooden frames for the stable and secure closure. Photo windows are in acid-free cardboard covered with paste paper and Tuscan calfskin, with small cotton ribbon handles which help to put and remove photos easily.
