Coralla Maiuri

BLUE SEABED BOWL

\$155

DESCRIPTION

A stunning piece that will make an elegant statement in a modern home, this bowl can be used to serve food on any occasion, or as a permanent centerpiece to display fruit or collectibles. It is part of the Corallo Collection, a series of handmade porcelain tableware that is magnificently decorated to evoke the mystery and grace of marine life. First introduced at Milan Design Week in 2018, this series renders in a stylized and poetic way the blue of the water and the corals, sands, and other creatures that inhabit it. Dishwasher safe.
