## BLUE SQUARE NAPKIN HOLDER

\$125

### DESCRIPTION

Ideal for outdoor parties, this nautical-style napkin holder provides an on-trend aesthetic and a most functional place to store napkins and keep them ready for use. Sized to fit most standard fabric and paper napkins, the square frame is made of solid wood and enriched with blue leather and rope along the 5.5 cm-tall border. A sail snap hook attached to a leather string provides a decorative touch and a smart windproof device.
