BLUE TOPAZ AND PINK GOLD EARRINGS

\$4,860

DESCRIPTION

This sophisticated pair of pendant earrings will be a precious and refined addition to any jewelry box. Its 18-carat pink gold joint structure functions also as mounting for the individual drop-shaped blue topaz with a rose cut (total carat weight: 20.02). The sparkling effect and delicate hues of the topaz will be a striking complement to an elegant occasion, either with a little black dress or with a colorful attire.
