BLUEMOON LOW DRESSER

\$15,625

DESCRIPTION

This striking, low-profile dresser is made of wood with a modern gray finish and features eight handle-less drawers with raised front panels that slide effortlessly on metal glides. The minimalist frame is supported by four conical feet with brass-finished ferules that recall the warm hue of the striking marble top. This piece of subtle sophistication will enrich any bedroom decor, especially when arranged with coordinating pieces from the same collection.
