CPRN Homood

BLUEMOON MEDIA CABINET

\$19,555

DESCRIPTION

Reminiscent of Bauhaus furniture, the simple lines and bold forms of this polished cabinet will bring a sophisticated accent to a modern living room. The long and low rectangular cabinet is made of wood with a matte gray finish and has two sliding front doors in contrasting brown finish, recalling the imposing metal top. The gray conical feet are slightly tapered and are accented with brass-finished metal ferrules.
