BLUES 2-DOOR SIDEBOARD BY STUDIO ARBET

\$3,810

DESCRIPTION

Sophisticated and timeless, this two-door sideboard is designed by Studio Arbet and combines a traditional-inspired base with a minimalist top. Exquisitely finished, this piece has an ash wood structure with ivory lacquer that combines cabriole-style legs and a rectangular top with rounded corners. The eco-nubuck upholstery of the sides is smooth, while the two frontal panels boast a striking tufted texture, lending a refined accent to the piece. The ceramic top reproduces the dark color and veins of Emperador marble (also available in Calacatta-like ceramic).
