BLUES MARBLE AND PATTERNED LEATHER BUFFET BY GIORGIO SORESSI

\$18,430

DESCRIPTION

Designed for contemporary spaces by Giorgio Soressi, the Blues Marble and Patterned Leather Buffet is a funky splash of character. Topped with sand-colored Breccia Oniciata marble, the buffet's wooden base is covered with printed leather for a wild look. The marble stands up to use over the years thanks to a protective polyester coating with a glossy finish.
