BLUES SMALL COFFEE TABLE BY STUDIO ARBET

\$1,430

DESCRIPTION

Part of the Blues collection by Studio Arbet, this coffee table boasts a unique combination of materials that makes it a focal point of both classic and modern interiors. The conical body is crafted of wood and covered in turfed eco-nubuck that creates a stunning texture, contrasting the ivory-lacquered ash finish of both base and ceramic top, whose colors and decorative patterns reproduce the look of Emperador marble (also available with a Calacatta marble look).
