BLUNT SQUARE COFFEE TABLE

\$1,450

DESCRIPTION

Both luxurious and simple, this coffee table combines elegance with functionality. Made of a strong metal base with a V-shaped leg and a polished brown Damasco marble top, this piece will bring a touch of industrial-chic flair to any living room. Characterized by a masterfully beveled rim that allows to seamlessly arrange multiples to create personalized compositions, this bold piece will add dimension and style to any interior.
