## BLUNT TALL RECTANGULAR CONSOLE

\$9,490

### DESCRIPTION

The standout feature of the Blunt collection is the exclusive, seamless design that is the expression of an extreme attention to detail and masterful craftsmanship, in a design characterized by geometric, pure lines. The rectangular top is crafted of brown Damasco marble with beveled rims that allow for a seamless configuration, when displayed in multiples, according to personal taste and interior design needs. The base is composed of two interlocking, V-shaped legs made of metal that are also built without any welding or fixing screws. Available also in a 40 cm height.
