BOCCI DI PEONIA SET OF 4 BREAD PLATES

\$770

DESCRIPTION

A classic design imbued with a delicate artistic sensibility, this set of four plates designed to serve bread on elegant occasions is entirely crafted of top-rate ivory porcelain and painted by hand. The slightly-reddened, blooming white peony depicted in the plates' central section is taken from a watercolor by the same artist Paola Caselli. The precious platinum-coated rim adds a luxurious accent to the piece.
