BOKKEN CHAIR IN NATURAL AND RED

\$910

DESCRIPTION

This chair is modern and unique and will make a statement in any decor. Its has a wood structure that combines straight lines and a curved back painted a magnificent ruby red that strikingly complements the natural finish of the rest of the chair. Part of the Bokken series that celebrates the wooden swords used in Aikido and Kendo martial arts used as inspiration for the shape of its legs, this chair can be paired with identical ones or with others from the same series for a more dynamic effect.
