**BOLLE TALL VASE BY TAPIO WIRKKALA IN TAUPE/AQUA**

\$2,100

## DESCRIPTION

Stunning in its deceptive simplicity, this sophisticated vase displays the richness and fine craftsmanship that distinguishes Venini's artistic glass objects. Designed by Tapio Wirkkala in 1966, this piece showcases a traditional bottle shape composed of two mouth-blown glass parts, taupe top and aquamarine base, handmade using the complex "incalmo" technique.
