BOLLICINE ICE BUCKET

\$2,140

DESCRIPTION

This intriguing ice bucket handcrafted by master car restorer Roberto Brandoli encapsulates the unique charm of luxury cars' frames. Part of the Brandoli Artwork Collection, its inner surface is fashioned of stainless steel to ensure perfect waterproof performance, while its outer surface in lightweight aluminum boasts an eye-catching, bubble-like texture ("bollicine" is Italian for bubbles) that will strike with its extreme reflective quality.
