BOMBO STUD EARRINGS

\$280

DESCRIPTION

Unconventional and daring, this exquisite pair of stud earrings is a testament to modern aesthetic taste and traditional craftsmanship. Made of 925 silver, these studs feature small renditions of bumblebees with defined blue wings, black stripes on the body, and a dainty yellow stinger. Part of the Still Life Collection, these earrings are inspired by Flemish still life painter Adriaen van Utrecht and will add a vibrant touch to a modern jewelry collection. The finish is available in gold and rose gold, please ask the Concierge for details.
