BONHEUR CHAIR BLACK LEATHER

\$4,945

DESCRIPTION

Bonheur Chair is part of the Chat Noir Capsule Collection. It's composed of a wooden shell padded with differentiated density polyurethane foam and finished with an upper layer of acrylic fiber. The backrest, quilted with vertical stripes, and the seat are anchored to the metal base made of tubular and flat plates that follow the silhouette of the armchair. This version of Bonheur Chair with polished brass metal base is upholstered with wild leather, a split leather specially treated.
