### BOREA NOIR REED DIFFUSER

\$80

---

#### DESCRIPTION

Fashioned of glass with a matte black finish branding the brand logo in silver to match the included cardboard box, this reed diffuser is a refined alternative to electric home fragrance diffusers. Borea evokes those dark afternoons the scent of fir needles and resin, among notes of eucalyptus and pine cone. The 100ml solution (non-flammable and non-toxic) is infused with scents that are vegan, phthalate-, GMO-, and cruelty-free.
