## BORGIA ARMCHAIR

\$8,050

### DESCRIPTION

This splendid armchair will be a stunning addition to the Borgia Sofa to complement a large living room or study in both a classic and a modern interior. Its sinuous shape is made up of a solid wood and plywood frame padded with polyurethane with the wadding exterior. The top layer of the seat cushion is in down for extra comfort. The piece rests atop a plinth base in burnished metal and is upholstered in leather on the outside and fabric on the inside. Contract and commercial certifications available upon request.
