**BOTANY COFFEE TABLE BY TOMEK RYGALIK**

\$3,960

## DESCRIPTION

A stunning piece of functional decor, this coffee table was introduced at Milan Design Week 2018. Its rectangular crystal top features delicately round corners and is supported by a delicate structure in brass whose four legs are connected to each other and create a sinuous silhouette that evokes the intricate design of plants. A striking addition to a modern or contemporary living room, this table will be an eye-catching piece to combine with other furniture by the same designer.
