## BOTERO MARBLED GREEN AUTOMATIC PENCIL IN OLIVE WOOD

\$220

### DESCRIPTION

A striking showcase of craftsmanship, this automatic pencil is entirely handmade of aged olive wood and painted by hand in mesmerizing marbled green tones. Perfect for artists and architects, it holds a 5.6-mm lead, and it is fitted with a lead-sharpener inside the top button. Its large and elegant body is highlighted with chromed accents and is also available with personal engravings upon request to the Concierge. Because of its handcrafted nature, the pencil can vary slightly from the picture.
