BOTERO PENCIL IN PADOUK WOOD

\$180

DESCRIPTION

This striking pencil is ideal for artists or architects, with its 5.6mm lead, making it perfect for sketches. The chromed metal button at the top contains a lead-sharpener. The body of the pencil is in padouk, a magnificent, durable East African wood that in time acquires a vivid dark-orange color. Each pencil is handmade and unique. It is also possible to hand-engage it to customize it upon request.
