## DESCRIPTION

This stunning armchair is a bold and sophisticated addition to a modern living room, study, or entryway. Its beechwood structure is enriched with a finish in bronze leaf visible on the legs for a striking look. The classic wing chair design of the seat is updated with a refined fabric upholstery boasting a geometric pattern in white, ochre, yellow, and black. Designed and crafted by Spini in Tuscany, this piece will imbue any elegant interior with a retro-chic flair.
