BOYLE SIDEBOARD BY GIANNELLA VENTURA

\$13,715

DESCRIPTION

Showcasing a stunning, asymmetrical structure, this wooden sideboard will be an eye-catching addition to a modern interior. Its sculptural silhouette comprises a supporting, brass-finished metal sphere and four front panels enriched with a continuous metallic stripe in the same finish. The characteristic wood grain is enhanced by the brown lacquer. This piece is widely customizable in terms of finishes, please inquire with Concierge for options.
