BRACCIANO DINING TABLE

\$7,440

DESCRIPTION

Entirely customizable, this stunning dining table is handcrafted of wood and features a round top supported by four elegantly curving legs held by a ring. Using Venice-inspired colors evoking the frescos of painting gracing the palazzos along Venice's Grand Canal, a hand painted white flower on an orange background is set in a white contour frame that stands at the center of the sky-blue tabletop with a watercolor finish. This exquisite piece can be customized in size, color and central decorative element to match any interior. Contact the Concierge for details.
