BRACKET OBLONG LED GREEN WALL LAMP BY ANDREA EPIFANI

\$1,130

DESCRIPTION

Inspired by lighting designs from 1920s, this wall lamp boasts an elongated silhouette with rounded extremities, fashioned of poplar blockboard and offered in a bluish shade of green by using water-based paint. A cylindrical LED light provides unobstructed illumination while accenting the color-matching inserts in recycled paper that lend the design with its distinctive sustainable quality. Customizable and available with a UL certificate at an additional price, please consult the Concierge.
