BRANDINO LOW TRAY TABLE BY ENRICO TONUCCI

\$1,230

DESCRIPTION

A chic accessory to add a functional surface in a modern living room, this tray table is crafted of solid walnut treated with oil to give it a protective, glossy finish. The X-style base with a stainless steel joint features a single leg with four cylindrical supports accented on top with leather belts. The top is a practical tray with raised borders that provides an elegant surface. This piece can also be used as a stunning butler table in a guest room or bathroom, where it will add a rustic-chic accent.
