**BRASS AND CLEAR GLASS CHANDELIER**

\$10,520

## DESCRIPTION

Exuding elegant and timeless allure, this exceptional chandelier features a satin brass frame that branches out into 12 straight arms supporting the 24 grooved lampshades in clear glass. Half of them face upwards, while the other half face downwards for a well-distributed projection of the light, produced by the 24 ES lightbulbs (each E27 and 13W). Other height options are available, please inquire with the Concierge for details.
