BRASS CHESS SET

\$1,910

DESCRIPTION

Striking a perfect balance between modern design and traditional craftsmanship, this chess set was crafted entirely of brass with a brushed finish for the light-colored half and a bronze finish for the other half. Each piece features a conical shape with parallel grooves making it both easy to handle and striking to behold. This glamorous set will enrich any home and will be an exquisite gift. Also available in alabaster - please contact the concierge for details in this option and pricing.
