BRASS TRAY IN LIGHT BLUE QUARTZ

\$1,870

DESCRIPTION

A dynamic and original composition, this geometric tray merges modern design aesthetic with limitless creativity. Crafted of rich light blue quartz, the distinctive, irregular silhouette is sleek and expressive. The sinuous white striations and blue flecks in the crystal elegantly complement the angular edges, a visually striking design detail. A subtle frame in nickel-plated brass supports the composition. A whimsical work of art, this will be a stunning centerpiece in an entryway or living room.
