BRERA NECKLACE

\$420

DESCRIPTION

A sleek and stylish addition to an elegant outfit, this striking necklace will perfectly match the bracelet and ring from the same series for a complete and sophisticated look. Handcrafted of bronze with gold plating, this piece is composed of a series of alternating shells placed in a sinuous composition and inspired by the Pala di Brera painting by Piero della Francesca. This necklace is available in silver upon request, please contact the Concierge.
