BRESSON WHITE SOFA

\$5,630

DESCRIPTION

Revisiting traditional lines with a modern look and a constant eye on comfort, this slender sofa is raised on a platform supported by two steel rectangular legs with a white finish (also in polished chrome) to complement the white Dacron upholstery. The sleek silhouette boasts squared lines and calibrated proportions, with plenty of seat depth, whose comfort is ensured by a plush feather filling. This stylish sofa is available in two other lengths (180 and 230 cm).
