**BRICCOLA RECTANGULAR TABLE IN IRON AND SOLID OAK**

\$10,435

---

### DESCRIPTION

The flared iron base of the "Briccola" table supports a solid Briccola oak top that made from the posts of the Venetian lagoon. The oak, after a period of time in the lagoon, acquires unique characteristics. The recovered Briccole are then sectioned and processed. The table top boards are brought close together but not joined, while the external sides are left natural.
