BRICOLA 01 TABLE LAMP BY CIARMOLI QUEDA STUDIO

\$1,185

DESCRIPTION

This refined table lamp will take center stage in any interior decor with its high functionality and structural simplicity. Its slim satin brass metal body is anchored by a round flat base and comprises a delicate upward-facing fluted shade in the same material housing a blown-glass globe diffuser, whose frosted inner layer and clear outer layer guarantee perfect light diffusion. A favorite lamp for a side table, office desk, entryway console, and bedside table, this piece is best combined with the other lighting pieces of the same Briscola series for a cohesive look. Contract and commercial certifications available upon request.
