UNO Contract

BRICOLA SINGLE WALL LAMP BY CIARMOLI QUEDA STUDIO

\$1,185

DESCRIPTION

Available also in a double-light version, the classic silhouette of this refined wall lamp is reinterpreted with a distinct molder flair making it suitable for a variety of interior decor styles. Part of the Bricola series, this wall lamp diffuses functional light via a thoughtfully proportioned satin brass-finished metal design featuring a curved arm with a trumpet-shaped shade mounted on a small round wall plate. The oversized blown-glass diffuser has a double layer: frosted inside and clear outside, providing ambient lighting in a hallway, living room, or bedroom. Contract and commercial certifications available upon request.
