BRIDGE ARMCHAIR

\$4,660

DESCRIPTION

Boasting sartorial appeal and exotic flair, this lavish armchair will be a captivating accent in a minimalist or contemporary living room, dining room, or bedroom decor. The unconventional silhouette is fashioned of solid beech and features well-defined contours that draw an uninterrupted, sinuous line from the legs to the open armrests. Seat and back have curved edges and are upholstered in an elegant beige fabric with stylish details, and the back cushion is accented with two buttons. This graceful armchair will bring sophistication to any interior with its distinctive profile.
